Re: Public Records Request # 10-001

Dear Mr. Maclean:

This letter is intended to serve as a follow-up to our Office's initial response on January 5, 2010, to your public records request dated December 30, 2009 (received in this Office on January 5, 2010).

We have, thus far, identified a few records that are responsive and we are continuing to search for more. Because the scope of your request is very broad and because many of the individuals that may have generated or received the records that you are requesting have not worked for the Department of Justice in many years, it is likely going to take several weeks to search all of the archives in this Office for any documents that are responsive to your request. Due to the anticipated complexity of the searches (especially those for e-mails and old electronic documents), we wanted to notify you that the requested search is ongoing but that it will take some time.

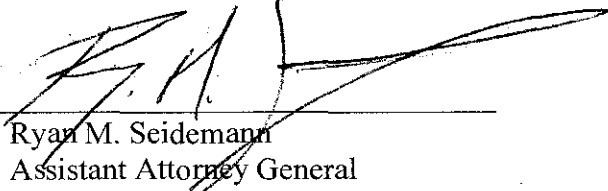

Should you have any questions or concerns regarding the above, please do not hesitate to contact our Office.

With best regards, I am,

Very truly yours,

JAMES D. "BUDDY" CALDWELL
ATTORNEY GENERAL
